AEDGE SECURES US$1.51 MILLION CONTRACT FROM A MAJOR OFFSHORE AND MARINE ENGINEERING GROUP

- *Contract valued at approximately US$1.51 million (approximately S$1.93 million)*
- *Revenue expected to be progressively recognised over approximately 9 months*
- *Project expected to be completed by 31 December 2026*

SINGAPORE, 13th March 2026 – Aedge Group Limited ("**Aedge**" or the "**Company**", and together with its subsidiaries, the "**Group**") is pleased to announce that its engineering services business has secured a contract valued at approximately US$1.51 million from a major offshore and marine engineering group.

Under the contract, the Group will supply specialised grating systems and related components for use in an offshore and energy infrastructure project. The work is expected to be carried out progressively over the coming months, with revenue anticipated to be recognised over approximately nine months and completion targeted by 31 December 2026.

This contract award reflects the Group's continued participation in the offshore, marine and energy-related engineering ecosystem, supporting large-scale industrial and infrastructure projects.

Commenting on the contract win**, Mr Poh Soon Keng, Executive Chairman and Chief Executive Officer,** said: "We are pleased to secure this contract from a major offshore and marine engineering group, which underscores the Group's engineering capabilities and our ability to support large-scale industrial and energy infrastructure projects.

This project strengthens our engineering services pipeline and provides additional revenue visibility through the end of 2026. We look forward to delivering the project safely and efficiently while continuing to pursue further opportunities in the offshore, marine and infrastructure sectors."

Barring any unforeseen circumstances, the contract is expected to have a positive impact on the Group's revenue and earnings for FY2026 and FY2027, corresponding with the project's delivery.
